Riojas Rocks the Alamo!

I would like to invite my 4th grade students and their families to meet me at the Alamo on

Saturday, December 10, 2016 at 10 o'clock.

This is a very informal opportunity for your child to explore a piece of Texas history that they are learning about right now! Their enthusiasm and excitement to see this Mission is at an all-time high!

If you would like to go, please fill out and return the form below. I would love to car pool and drive together if anyone is interested.

Please let me know!

This trip is strictly voluntary but I hope many of you are able to come!

Mrs. Ceto
